Gov. Reynolds issues disaster proclamation including the Iowa Individual Assistance Grant Program and Iowa Disaster Case Management program

Gov. Reynolds issued a disaster proclamation Thursday for Warren County in response to flooding and severe weather beginning June 28, 2018 and continuing. The governor's proclamation activated the [Iowa Individual Assistance Grant Program \(IIAGP\)](#) and the [Iowa Disaster Case Management](#) program.

Individuals in Warren County suffering losses of personal property or having structural damage to their personal residence may contact IMPACT Community Action Partnership at (515) 961-2543 or visit the office site located at 210 West 2nd Avenue in Indianola.

The [Iowa Individual Assistance Grant Program \(IIAGP\)](#) may provide up to \$5,000 of assistance, reimbursement and/or vendor voucher, for covered items to households at or below 200% of the federal poverty level. Application must be made through the IMPACT Community Action office. You may be eligible for repair or replacement of items damaged by storms/flooding. Potential applicants have 45 days from the date of proclamation to submit a claim.

The [Iowa Disaster Case Management \(IDCM\) program](#) is to address serious needs to overcome disaster-related hardship, injury or adverse conditions. Disaster case managers work with clients to create a disaster recovery plan and provide guidance and referrals. There are no income eligibility requirements for Disaster Case Management and there is no direct financial assistance provided by Disaster Case Management. Disaster Case Management closes 180 days from the disaster proclamation.

Additionally, individuals affected by the storms/flooding are encouraged to report their damage/losses to their county Emergency Management office.
